Re: Case No: 1: 21-CV-20163  
Case Name: Jones vs Zuckerberg and Edwards

Dear Sirs and Madam:

I am writing in regards to the above case.

I and Tiege Brooks would like to appear in court however if not then by the preponderance of the evidence given, we hope you will grant my request of the \$100,000.00 and the refund of my filing fee of \$250.00 for a total of \$100,250.00; from this amount I ask for Tiege Brooks to receive the \$700.00 he allowed me to borrow to receive the same prize he has.

While being quiet I heard I could win \$3,000,000.00 because of the behavior exhibited by the staff regarding the Face book drawing; if so I would like to be granted the 3 million dollars and from that Tiege Brooks to be awarded 10% for a total of \$300,000.00

Again, Tiege Brooks received his award and I want what he and I paid for.

I would like to receive the remaining \$99,550.00 ten days later and the remaining \$2,700,000.00 in ninety days. I request Tiege Brooks submit his legal address or wherever he wants his check to be delivered to the courts in a timely manner.

The above statement is true to the best of my knowledge and I understand the penalties of perjury.

Re: Addendum to Case No: 1:21-CV-20163 and  
Case Name: Jones vs. Zuckerberg and Edwards

Dear Sirs and Madam:

I am writing in regards to my claim to the case listed above.

I heard today that I could have received 10 million dollars for the case however, I am still holding to the 3 million and what I requested to be sent out; in the meantime, I heard because of the attitude Mr. Edwards displayed in the packet of snap shot conversations I can get 30 million dollars from him; if this being so I would like to be granted the 30 million dispersed in the following manner: 10 million dollars in 90 days with the \$2,700,000.00 and every year 10 million dollars until the debt is paid.

The above statement is true to the best of my knowledge and I understand the penalties of perjury.
